

Getting Started

1. In what context do you learn best?
2. Is there something that you have learned from God's Word that you have yet to put into practice? If so, what is it?

Into the Bible

3. This Sunday we talked about how it's not enough to listen to the Word, we must do what it says. Based on the following scriptures, how can we begin to do this?

- a. Joshua 1:8; Psalm 1:2
- b. Psalm 119:11, 72
- c. Proverbs 27:17
- d. James 5:16
- e. 1 Corinthians 1:26-29

4. How is our learning and doing enhanced by relationship (with others)?
5. We read in James that when we listen but don't do, it's like looking in a mirror, walking away, & forgetting what we look like. How would it be possible to forget? Is it a bad memory or something else? See Deuteronomy 6:11-12 for a hint.
6. Read Psalm 1:1-3. What are some benefits from being a doer?

Application

7. If there is something that you know you need to do but haven't, what step(s) can you take to begin doing?
